PECO Pallet Incorporates in Canada and Continues North American Expansion

September 13, 2011 (Yonkers, NY): PECO Pallet recently incorporated in Canada, a significant milestone in the company's continued expansion throughout North America. Although PECO Pallet has been shipping its signature red wood block pallets in Canada for many years, the company's recent incorporation as PECO Pallet Canada reflects PECO's growing presence in the "True North."

PECO Pallet is a national leader in pallet rental services and provides millions of high-quality block pallets to major grocery and consumer goods manufacturers throughout North America. The company's recent incorporation enables PECO to expand services to both renters and retailers throughout Canada. PECO Pallet is also incorporated in Mexico, and PECO customers can now ship pallets across both the northern and southern borders of the United States.

David Lee, CEO of PECO Pallet, stated, "Our recent incorporation in Canada represents an important step for our company. As we expand our service network, PECO Pallet is building additional infrastructure to support increased pallet issues throughout Canada. We are confident that PECO Pallet's outstanding quality and service will provide a better solution for both manufacturers and retailers throughout Canada."

About PECO Pallet:

PECO Pallet is a North American leader in pallet rental services. Over 95% of grocery, warehouse, club and discount retailers throughout the United States currently utilize PECO's signature red block pallets. PECO Pallet's tremendous growth over the last decade reflects the company's overall commitment to exceptional quality and genuine passion for customer service excellence. PECO is headquartered in New York and maintains over 427 service centers and manufacturing plants throughout North America. For more information about PECO Pallet, visit www.pecopallet.com.
